

Prague 16th March

DEAR PARENTS,

in connection with the development of the situation of coronavirus spread, please pay **increased attention to your health, child's health and symptoms of the disease.**

Especially, if you have returned from abroad, seek medical help in the case of illnesses, ensure a quarantine, if necessary.

I hereby appeal to our mutual trust and good cooperation and your perception of the need for increased caution and a responsible approach to protecting the health of both children and adults.

It is the kindergarten's duty to ensure a healthy environment for all children and employees and to protect their safety.

Information from the Ministry of Health on the situation regarding coronavirus for schools and parents:

- **If the child has difficulty and was in the area with the disease occurrence – call the Regional Hygiene Station +420 233 087 720**
- **If the child has difficulties and was not in the area with the disease occurrence – call your pediatrician**
- **If the child has no difficulties and was in the area with the disease occurrence – call the advice line of the National Institute of Public Health +420 267 082 972**

We will also inform you through the bulletin boards and the school website.

Thank you for your understanding and cooperation.

Mgr. Jana Vaníčková

Headmaster

Thank you for your helpfulness and responsibility!
